PROGRAM REVIEW: Members of IRC gathered on the cold and snow covered evening of Jan 11th, to hear Father Gilbert Wood PY8ZAI give a program of his missionary work in the jungles of Northern Brazil. He pointed out that amateur radio has saved lives in several instances by being able to call in an airplane to their landing strip during medical emergencies. They maintain radio schools on the air and were having problems on receiving LF radio signals and asked the club for ideas on receiver selectivity etc. The program gave a new look at amateur Radio as an invaluable source of communications to be used between twodifferent countries for the good of mankind.  
(review by Doug Loughmiller WB9KPC)

INDIANA HISTORICAL RADIO SOCIETY MEETING. Saturday Jan 12th was visited by Doug & Dean Loughmiller, Bob Caskey, Bart Bessinger and John Healy. Ed McNay gave a talk on "Neutralizing the Howard receiver, and a slide program 120 years of brass pounding was put on by the Antique wireless assn. (review by Doug WB9KPC)

OSCAR 6 -- We believe Bill Lueth W9AI was first Indpls station to contact thru OSCAR 6 satellite others include W9JIY and Dave WA9ZCE who helped at the IRC field day with his mobile set up for OSCAR. Who else ????????

Future Programs:.... may include Regency , Dr. Don Miller on SSTV, Genave and others of vital interest to local hams. A list is being prepared.

Editorial: News for the Club paper is requested in writing on or before the 1 & 3rd Fridays of each month, as we publish and mail on the weekend before club meetings. The only newsthis week was sent by Doug Loughmiller our VP and program director. We are looking for a new Editor and department heads for this work to be properly divided. If you have specific interests shch as DX, VHF, RTTY, local news, etc make yourself known and lend a helping hand. ..Bob W9PSE ENERGY CRUNCH...Charles Byers WB9GCD District Manager of Shell Oil is getting a lot of questions these days. re.
